MEETING OF USDA EMPLOYEE COUNCIL - July 13, 1955

Room 4106 at 3:00 p.m.

The meeting was called to order by the Chairman, Dr. Thomas H. Bartilson. The following members and alternates were in attendance:

Wilson E. Westbrook - CSS

Theresa Hammelman - CSS

Fred A. Jillson - FHA

William Hillenbrand - AMS

Don Hurst - AMS

C. O. Henderson - OP

E. W. Bremer - FCIC

Miller F. Shurtleff - Off. Sec.

Louise Krueger - Off. Sec.

Arthur L. Mittell - GC

Dorothy M. Martin - FS

R. Corbin Dorsey - CEA

Carlos J. Ortega - FAS

R. A. Hollis - Info.

Harry E. Ratcliffe - FCS

T. H. Bartilson - ARS (Retiring  
Member and Chairman)

Dr. Bartilson reviewed briefly the work of the Council for the past year. He stated it had been a busy year with many frustrations. He said the Council's chief function was to advise, and it had done that. Since most of the material considered had come from agencies with Employee Councils, he urged the representatives of the agencies without Councils to encourage the organization of Councils in their agencies. He expressed his appreciation for the fine support and the friendliness of the people on the Council.

The roster of the new Council and biographical sketches for all members were distributed.

The election of officers was then conducted. Carlos J. Ortega of FAS was elected Chairman; Arthur L. Mittell of GC was elected Vice-Chairman; and Kathryn H. Ondreyka of SCS was elected Secretary. Dr. Bartilson then turned the meeting over to Mr. Ortega.

The question was raised as to why the Council considered itself limited to one-hour sessions and why it should be necessary to vote to extend the time. Mr. Hillenbrand favored the Council's remaining in session until the business was concluded. Mr. Henderson indicated that he would look into the origin of this practice and report at the next meeting in order that the Council might see whether the one-hour limitation was necessary.

Mr. Hurst from AMS asked what had been done about the change in working hours. Mr. Henderson said it was still in the hands of the Budget Bureau, but he would check to see if he could obtain any information that Mr. Hurst could pass on to the AMS employees. He will furnish copies of correspondence to the Council also.

Mr. Hurst also asked if the Department had checked on liberalizing of parking on the Mall during the transit strike. Mr. Henderson said he had talked with Captain Stewart of the Park Police. The problem is that people are parking in restricted areas, and the police are checking rather carefully because of the pressure of parking. Those areas have to be restricted for sightseers.

The reading of correspondence was deferred to a later meeting.

The meeting adjourned at 4:15.

The next meeting will be held at 3:00 p.m., August 10, 5202 South Building.
